Westie Rescue Update

September 2014

Hard to believe that Fall has already arrived, football season is already underway and before you know it the leaves will be falling. If you have a great photo or video of your Westie enjoying this beautiful weather consider posting it on our revitalized [Facebook page](#). While you are there be sure to like us and leave us a comment.

Have you checked out our new and improved website www.westierescunetwork.org? It contains detailed information on our organization, adoption process, the dogs that enter our program as well as great photos and resources. The website also has information for those who are looking to relinquish a Westie. If you know anyone that you think might want to receive our email newsletters send them to the website to get signed up.

WRN Note Cards and Calendars

Along with printing our 2014 calendars we printed sets of 12 blank note cards, each featuring an adorable photo from our calendar. Note cards and calendars are \$15 each plus shipping and can be purchased on our [website](#). Limited numbers of note cards were printed so don't delay in ordering yours today!

This year's calendar cover girl is 8 year old Ellie who was adopted from WRN in 2013. This great photo was submitted by her foster family. Ellie now makes her home in Denver with her new Westie brother.

Westie Roundup

In our last couple newsletters we encouraged our readers to host a Westie Roundup to socialize with other Westie adopters and volunteers. Thanks to Joanne Wojcik, John Garlie and Rocky for hosting a Westie Roundup at their home in Golden. Nine Westies and their owners were in attendance and as you can imagine there was lots of wagging tails, sniffing butts, playing chase and nine very happy dogs. An attempt was made to line the dogs up to take a group photo but as you can see they had other plans. It was non stop entertainment watching them all run around and get acquainted.

Rocky, in the center, was an excellent host and was happy to share his back yard with all his guests.
