Twice The Love - Delta Dawn & Heath Are Looking for Your Loving Home

Won't you please take these precious little Westies into your home. A truly loving bonded pair, Delta Dawn and Heath could be the perfect companions to make your home complete.

Delta Dawn is an 11 year old spayed female and her companion, Heath, is a 12 year old neutered male. These little Westies are very well adjusted and came from a very loving home. Both are good eaters, will walk on leads, come on command, (as well as any Westie), are kennel trained, and housebroken.

Match Made in Heaven – Maizie and Judy Found Each Other and Became the Perfect Family

Maizie met Judy and knew she had found her forever family. Judy had recently lost her beloved Lacy and just knew that life was better with a Westie. When she contacted WRN she had no idea how rich and full her life was about to be again. "Maizie is just perfect," Judy says, "she loves to take walks, barks at everything and even loves baths." Maizie's first owner just wasn't prepared for the active, curious nature of a Westie puppy. As much as she loved Maizie she knew that WRN was the perfect place to find Maizie the right home. Judy said that for both of them it was love at first sight. "Maizie has the sweetest temperament, I just can't image life without her."

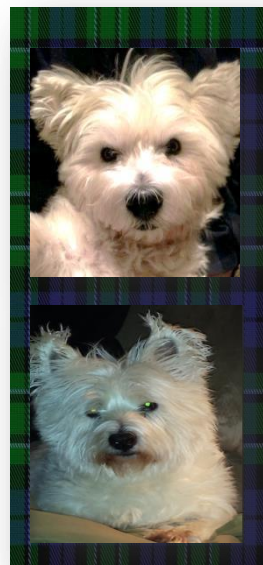

Sometimes Westies Rescue You

I was diagnosed with Cancer in 2006. The cancer treatment took such a toll on me that I found myself weak and unable to walk very far. I had always wanted a Westie and since I was recovering from my cancer treatment, my husband thought it was a good time to get me a little companion. However, I was blessed with a bonded pair, Miss Katie (9 yrs. old) and Mr. Quincy (8 yrs. old), who had been relinquished by their owners to the WRN.

Our back yard did not have a fence at the time, so I would take my new little Westies for walks three times a day. Sometimes, in the middle of our walk I would just have to sit down and wait to get my strength back. It was common for my little Quincy to put his head under my arm and try to help me up. Other times, I swear I would not have made it home without Katie and Quincy pulling me all the way. They became very protective of me and together we became a great little team. Eventually, I was able to keep up with them and we would go on long walks even after we fenced in our backyard.

My friends thought it was so great that I had rescued these little dogs, but the truth is, they rescued me and gave me a reason to get better. I believe to this day that if it had not been for these amazing little dogs, I would have never recovered to the level I am today. I guess we rescued each other. *Shay G.*
